UN MATERIAL AUTÉNTICO QUE PERDURA, LA OPCIÓN PERFECTA PARA CADA ESTILO Y ESPACIO.

*AN AUTHENTIC MATERIAL THAT LASTS, THE PERFECT CHOICE FOR EVERY SPACE AND STYLE.*

Convierte un simple espacio en un lugar hermoso y funcional. Combina en diferentes estilos, su amplia variedad de formas y colores permiten originales creaciones.

Cada pieza está hecha a mano y presenta ligeras variaciones. La "perfecta imperfección" de los mosaicos es la razón por la que nunca tendrán un aspecto de producción en serie.

*Turn a simple space into one that is as functional as it is beautiful. The use of cement tiles in different styles, colors and geometrical shapes allows to create original patterns.*

*Each cement tile is handcrafted and offers a slight finish variation. The "perfect imperfection" of cement tile is the reason why they will never end with a mass-produced look.*

◆ Fabricación ecológica con altos estándares de calidad, alta durabilidad y resistencia, fácil instalación y mantenimiento.

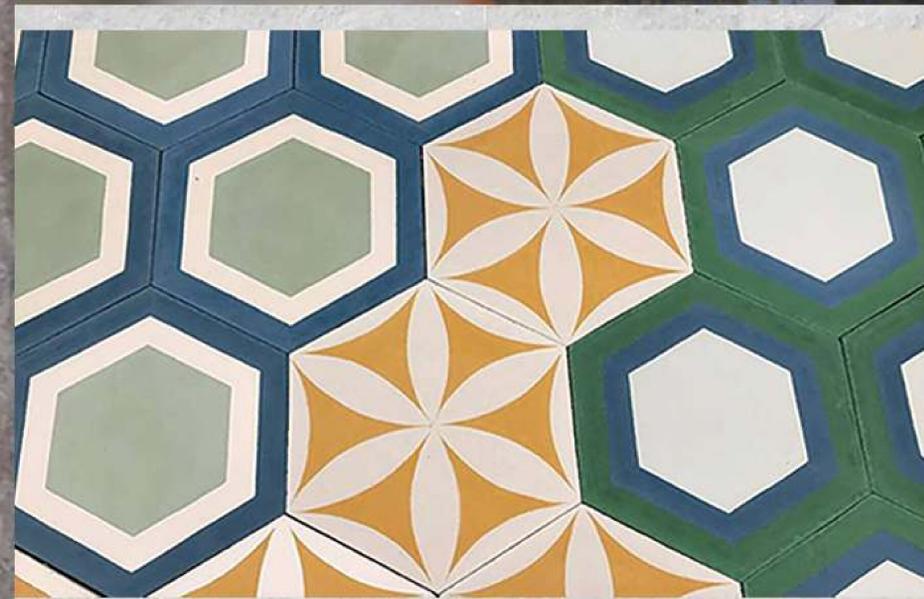

*High-quality eco friendly production, simple to install, highly resistant, low maintenance. As long as the tiles are properly sealed to combat moisture and staining, cement tiles will last for decades.*

◆ Para usos múltiples en residencial y comercial, tanto en piso como en pared.  
*For multiple uses in residential and commercial, suitable for floor and wall.*

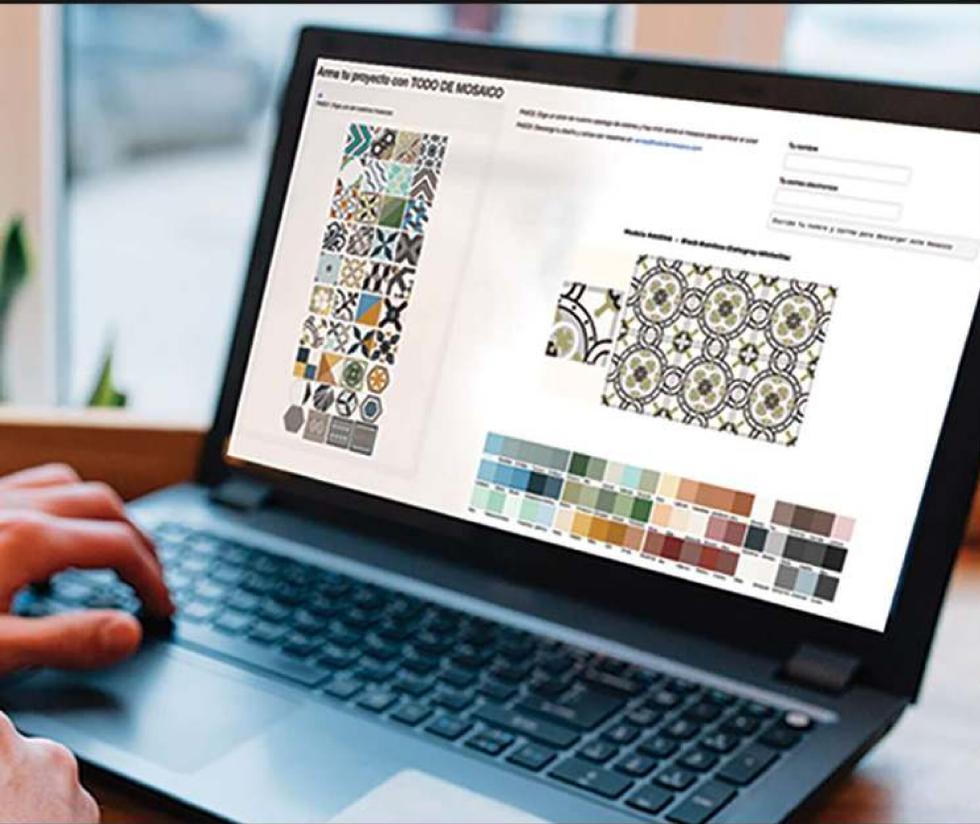

\*Nuestros mosaicos son de fabricación artesanal; los colores, trazos y líneas están sujetos a ligeras variaciones, lo que es parte de su belleza natural.

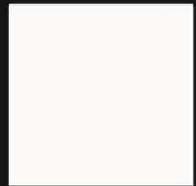

*\*Every single piece is especial for its natural beauty, colors, strokes, and lines are subject to slight variations.*
